### The Premises:

Discreet apartment in Kensington - what more can be said? The neighbourhood is in one of the safest parts of London, it's an easy walk from South Kensington and Gloucester Rd tube stations. The parlour is tastefully decorated; warm, clean and secure. The front room has been turned into a reception area with comfortable chairs, a coffee table and magazines to read. The impression of an upmarket dentist's waiting room is changed slightly by a drying rack with several towels on it! But the ambience is nice.

The maid was friendly, courteous and a good host. She ensured things ran smoothly (she kept another punter out-of-view whilst showing me to Ella's room and then walked him to the door) and got me a drink.

I was given the chance to freshen up as soon as I arrived, so my shower did not come out of the time I spent with Ella. Her bedroom felt lovely and intimate; the ensuite bathroom clean.

### The Lady:

Ella is an extremely pretty and sexy young woman, in her early 20s. Captivating brown eyes, a lovely cheeky smile and a pretty little mouth. Long brunette hair with blonde highlights, tied up in a ponytail. Her body was crafted for sex and pleasing men. Beautiful natural 34D boobs; very firm and full with lovely soft pink nipples. Her skin was smooth and lovely to touch. Lovely round arse, again very squeezable and touchable. Her pubic hair was trimmed rather than being shaved off completely, it looks very nice. Ella has an extremely sexy accent, she speaks good English. She's fun and bubbly, playful sense of humour, we clicked immediately and had lots of fun together.

### The Story:

I waited for Ella in the bedroom wearing only a towel after my shower. Ella was a vision of loveliness in bra, thong, suspender belt and fishnet stockings. I stood up to greet her, and we launched into some very passionate snogging, with Ella opening her mouth fully and our tongues dancing together. I liked her straight away. Ella commented how I wasn't shy and made some very flirty small talk with me, in between more snogging and me fondling her bum. Money had yet to change hands; I got her donation out and told her I'd leave it on the side. Ella waved that consideration away with a smile and told me to join her by the bedside instead.

Ella commented that she was wearing too many clothes and stripped off. She peeled off my towel and was very happy over the stiffness of my cock. She started playing with me straight away, and deep French-kissing again. I don't think from that moment on that Ella had her hands or mouth off my cock for longer than 2-3 minutes.

Ella was very attentive to my needs. She introduced me to two wonderful new sexual experiences - a beautiful, sexy girl sliding 3 fingers up my arsehole and giving me a prostate massage, and building on this sliding a slim vibrating dildo into my rectum whilst lovingly sucking me off.

I don't think I need to go into too many other details after revealing that. Ella's encounter with me can be summed up in 3 words - passionate, intimate and sensuous. I commented to her that I couldn't keep my hands or mouth off her and I didn't throughout my hour of bliss. Her marvellous tits got most of my attention, I also licked her sweet pussy until she came.

Ella was very engaging - making lovely conversation with me inbetween eagerly pleasuring my body. When those moments started, the dirty talk started all delivered in her lovely sexy accent. Such a turn-on.

I have no hesitation in recommending Ella to other discerning gentlemen, as other clients have recommended her before me. I will also be paying her many more visits as long as she continues to work as an escort. Ella, if you read these reviews, you're a gorgeous sexy kitten and I will be very eager to play with you again.
