Carol is a gorgeous hot lady! The photos fail to reveal her beauty. She has incredibly beautiful looks. Eyes, smile and lips ..all amazing! Love a lady with big beautiful eyes!

The Story:

This lady is just fun! I was seeking a little me time during my visit to London. Outcall suited Carol perfectly and was very pleased to speak with me on the phone. Boy oh boy was I happy I made that call. I was in a buoyant mood from the moment I spoke with her. This lady just has a gift to put a smile on your face! :D She knows very well how to treat a guy like a King. Clearly has experience and genuine love for this job.

She has many natural talents, and very good skill.. and smoothly transitioned between my naughty desires so made for an action packed hour. Sex was hot and steamy (and sweaty lol). Carol groaned with pleasure during doggy.. got me so hard when she begged me not to stop. Fantastic covered deep wet bj. She is a health aware person which I respect. Oral was still one of my best experiences. As I say, I love a lady with big beautiful eyes.. staring at me long and deep definitely added to the pleasure received.

Very highly recommend! Carol is a warm friendly lady, with fun personality, perfect English and luscious South American body and looks. All in all a great punt! Best part of my London visit.
