She is hot, beautiful brunette, lovely long hair and an amazing sexy appeal and she has got an amazing beautiful bum and really curvy.

The Story:

Carol has a full beautiful curvy figure and set the right mood. After a chat (her English is quite good) and intimate shower we got to know each other's bodies and also very sensual. Carol is suave and starts really sweet becoming hornier with time and her hands with that oil, wow made so hard and really could feel I was about to explode. She gives the best BJs ever and I can't wait to the next experience, she is open to ideas. As I'm soon on a business trip, I surely want take her with me.
