### The Premises:

The girls share a clean, bright and modern basement apartment in a large terraced house near Paddington station. Easy to find, spacious with a large bed and a good shower.

### The Lady:

Both girls are blond. They have nice sized boobs and firm pert bums, and look very much like their pictures. They were friendly and fun and both had a good sense of humour.

### The Story:

I had a bad experience with my last booking and was a bit nervous about booking another duo. Rachel, the receptionist, recommended Monica and Raisa and I'm glad I listened to her.

I asked for the girls to wear short dresses, if possible, and they met me at the door to their flat in figure hugging, tight, short dresses which, when they led me down the hall to the bedroom, hardly concealed their beautiful round bums, their g-strings flashing at me as I followed. The girls knew this as they kept turning to give me a cheeky smile and giggle.

Once in the room, and admin out of the way, the girls started doing a sexy striptease and dance, taking my clothes off as well.

What followed was an hour of one of the best duos I have ever had. Lying on the bed they took turns to give me OWO. "Porno style" one would say to the other - egging each other on. They took it in turns to sit on my face, and licked and kissed each other in between pleasuring me.

On with the condom and I had sex with both of them in turns.

Eventually my time was nearly up and they both expertly finished me off with their hands and tongues.

The girls produced a nice fresh towel, I had a shower, got dressed chatting to the girls and they saw me out of the door naked and with a kiss.

I definitely recommend them both and I might even try and see them on their own.
