### The Premises:

Nice place, easy free parking and quite a private entrance. Well kept inside and is always clean and expertly marshalled by the receptionist.

### The Lady:

In a word - gorgeous !

Very attractive, wonderful natural body. If you like real ladies with some curves and natural breasts a very attractive face and a wonderful demeanour... I can recommend Katie 100%

Her big brown eyes melted me !

### The Story:

I'd looked at the web site many times and Katie was who I looked at time and again... Just my type, age and general description etc. I finally managed to arrange a visit and from the minute she walked in the room, I'm so glad I did.

Her massage is perfect, with such warm hands expertly finding a balance between the massage and the sensuality of the occasion.

The body to body was wonderful and her soft skin felt so good as she slid up and down... Wow !

The happy ending merely topped off an amazing half hour and I wish I'd been able to book an hour...
