The Lady:

Lilly is a very cute petite lady with natural good looks and beautiful eyes. She had recently started as an escort when we met and I thought of her like a mini Anna Nicole. Lilly has a great figure though I do prefer my ladies gym toned which Lilly wasn't - but fit nonetheless. A

The Story:

Lilly arrived on time though dressed in a scanty dress under her jacket - was very sexy but I updated that it probably is not the most prudent for such an early outcall to dress so risque. The lady seemed extremely enthusiastic and we had a genuine spark - kept winking for some reason. Post chit chat we proceeded to kiss passionately and then Lilly continued to above average OWO. Sex was great as I loved tossing her petite/spinner figure around - she is also very tight so finished soon. A little rest and repeated. I personally had a great experience and would recommend. She does have some not so positive feedback on an agency website and I was personally a bit surprised.
