The Premises:

Prime real estate near South Ken tube. Greeted at the door by a smiling Rihanna, ushered into the first bedroom with grace.

The Lady:

It has been a year to the week since I last saw Mille. She is a beautiful woman with the body of a goddess.. Her skin is soft yet firm, the smile on her face warms the room and her manner is sexy and relaxing.

The Story:

I was pretty eager so the clothes came off, Mille is very seductive, she traced her hands all over my body whilst I kissed her lips neck and breasts as we stood. For many minutes I absorbed the peace and calm of sexual stroking. She then gently pulled me to the bed cock first. On the bed we continued to lick and kiss, stroke and fondle her attention to my balls and cock were fantastic. Her tongue took my nipples and with my encouragement she firmly bit them. I was holding and massaging her firm buttocks. Her mouth and tongue continued their journey to feast on my dick. I muttered 69, and soon my tongue and whole face were deep in a very tasty cunt and arse. This went on with me thrusting into her face and licking her clit. There were many moans. The condom was put on with mouth and Mille rode me. The time was flying. I face fucked her and shot my spunk into a willing mouth Mille snowballs and I was spent. It was a great half hour and with a kiss and smile i left HOD. I will return to see Millie soon she is fantastic.
