The Premises:

A detached house in a quiet residential area. Easy parking and a discreet approach to the front door.

The Lady:

Jan is tall with a slim build and is very fit. But more than that she is one of the most genuine people you will meet: engaging and very easy to talk to.

The Story:

As you walk in you are met by a broad smile and lots of direct eye contact followed quickly by an even warmer, sensuous, kiss.

Jan has an enviable wardrobe- she takes a lot of care over her appearance and will dress to kill! Upstairs, the experience is everything you would want it to be, whether you want to get straight on with the task in hand, or spend time more slowly getting to know each other. The latter is recommended: Jan is interesting and funny and offers a genuine and rounded GFE.

My first meeting with Jan was my first with anyone for a very long time and she handled my uncertainties brilliantly. She is a great listener and a terrific seductress. More practically she has beautiful soft skin and has an astonishing way of wrapping her legs around you which will have you gasping both literally and metaphorically.

Time spent with Jan is one of life's treats, and is recommended without hesitation.
