### The Premises:

GFE is very discreet and I almost walked straight past it, the actual entrance is around the back, either from a passage way at the side of the building, or walking into the car park off the side road. After buzzing I was let in straight away

### The Lady:

About 5'5 in height, with heels she was 5'9ish and very good looking with a great body. She was the 1st girl who walked out to say hello as well. She matches her description and photos that are on the website.

### The Story:

I just had the basic service at £45, I'm on a budget but the next time I return to GFE i will be having the girl-friend experience. I asked her to wear long satin gloves which she obliged happily and genuinely seemed to enjoy wearing them making positive comments that she like gloves a couple of times.

She stroked and caressed me, as I did her and we talked as her gloved hands explored my body. She then gave me a covered BJ which was amazing, she has some very good skills and it made me wish I had gone for the GFE as I suspect she is an amazing kisser.

In all highly recommended.

Vikki is an intelligent, fun and skilled woman who is a joy to be with. I'll will be going back.
