The Premises:

Just off Beulah Hill, Crystal Palace. Very easy free parking outside. Buses stop very near, but 20 minute walk from Crystal Palace station. Discrete entrance, comfortable rooms, friendly atmosphere.

The Lady:

2 girls were on. Mia - oriental girl, slightly short as orientals often are, and Lisa - black lady with very firm buttocks. Both girls are fairly attractive but not stunners. Pam selects the girls for performance and to mix at parties.

The Story:

I've been to Pam's at her previous place, this was my first time here. The parties are basically 121s rather than gang-bangs which some prefer (I like them both)

A handful of guys were there, with the 2 girls. First off was Lisa. Cuddling, covered blow-job, and she deep-throated me a bit till she gagged. I went down on her, then missionary till I came.

After half an hour's rest, Mia invited me to play. I'd seen Mia several times on previous visits, and I know she's really into it. More covered BJ and lots of really hard fucking, first with her on top, finishing with missionary.

Lisa invited me up after another half-hour's rest. More of the same, but the fucking was much harder than the first time, as I tried to build up to my third pop of the night. Exhaustion overcame me, so I had to rest for another 20 minutes.

Mia dragged me up for another session - again even harder fucking than before, and possibly the hardest I've ever managed for such a prolonged period - and Mia kept encouraging me to keep going at it. Finally I popped for the 3rd time. I knew I couldn't manage round 4.

3½ sessions in an evening, plus friendly chat with Pam and the other guys, and all for only £80. I'll definitely go back next time I'm in London.
