The Premises:

A typical escort's flat in an unimpressive building, but very conveniently located near Queensway and Bayswater tube stations. The neighbourhood is completely safe; lots of foot traffic. The flat is a first floor walkup, clean and neat, good bathroom and shower.

The Lady:

Love is tiny, but perfectly proportioned. She is in her 30's, I would guess, but looks younger because she has lovely skin and a sweet face. One small tattoo on her left shoulder. She looks very much like her photos: not beautiful, but quite attractive. The more time I spent with her, the lovelier she became - largely because her personality is so delightful.

The Story:

Love has been in London for about 3 1/2 years, off and on. She has nothing but glowing reviews and I can understand why. I can recall few sessions with an escort which I enjoyed so much because she is funny in a quirky way, enjoys her work and demonstrates it, is game for virtually anything and is damn good at whatever she does. In this business, experience counts for a lot.

Once the customary preliminaries had been dispensed with, we headed to the bathroom for a golden shower, followed by a quick clean and rinse. Already, we were both laughing as she boasted of her "silicone tits"....about a 34B. Back to the bedroom for some DFK before she slowly moved down to the nether regions for some serious oral work....lots of saliva and hands got me hard in no time. I returned the favour in 69 and discovered that she has a pair of lovely lips there as well. Not ready to cum yet, I asked for the condom and plunged straight into A-level. She is so small and agile that it's easy to manoeuvre her about and we explored a variety of positions: standing, sitting, lying, cowboy, reverse cowboy, legs behind head, etc. without ever coming adrift. Probably the longest and most extensive A I've had in a long while....and she is tight. We then experimented with something I had been keen to try, but needed someone small to accomplish: an anal fisting. She managed to do it and it was an experience I will never forget. At the same time, she gave me BBJ to completion: probably one of the most exciting climaxes I've ever had. I wasn't capable of a second round after that, so spent the remainder of my time (and then some) having a delicious dinner at the Y....to our mutual delight.

Since the departure of Cherry and Maria, Love is the closest I have found to the ideal PSE. We didn't try everything on my list, but I will be back; maybe for a duo next time.

Look at her other reviews as well; they are all positive. If you want a seriously good time, with no holds or holes barred, you'll love Love.
