The Premises:

Five minutes from Green Park tube in a high street retail street, very safe and discreet environment with good pubs to have a drink after your visit.

The Lady:

Mistress Debby is a very pretty lady in her middle-thirties. She told me she is a switch, but this time I came for light dom.

Very professional and ready for anything attitude which made me horny and ready to serve her.

The Story:

She got into the role very easily and comfortably, commanding me to worship her from her high-heeled boots to the top of her thighs, I asked for permission to rim her and was allowed to do so. Lots of verbal punishment came from her, she can be a real dirty talker. Mistress Debby made me lick her all over and returned the favour to me, with oral without condom, then she let me shag her for a bit from behind. I finished on her beautiful tits and she told me I had been a good boy and to come back soon.
