WOW, what a lady. She know how to satisfy a man.

The Story:

As soon she entered the room, she undressed me and starts sucking me off. She knew the whole time what i want and delevered excecetly what i wished for. After i finished 1st time, she gave me nice massage and later wanted to fuck me again. As i had to pick up my son i had to leave early however she was quite nice and felt sorry for me that i couldnt go for the 2nd time. I will see her again soon and this time atlist for 1 hour.
