The Premises:

very nice block of flats new very clean few mins from the station easy to find one of the best showers I have had easy to use and well stocked by lucia

The Lady:

even better in real life than in pictures height weight body size all as advertised has some dark roots coming through the blond hair but believe me on seeing lucia that will be the last thing on your mind

The Story:

damn near perfect hour the only bad thing was it went so fast from my point of view the girl is a gem didn't want paying till after which is only second time that's happy offered a drink and shower before hand started dfk while I was taking my shoes off and it went on like that for the whole hour. lots of kissing deep throat owo 69 sex in all positions . lucia loves what she does and is my new favourite girl have never gone for a repeat visit but will this time for sure especially as I didn't book the a levels I have a good reason. all in all a girl I would have happily took home with me if possible the best so far .
