### The Premises:

Block of flats down by the train station. Plenty of parking at this time of night and felt safe.

### The Lady:

Looks like the pictures that appear on both the website and their twitter. Petite and pretty with beautifully smooth skin. Nice cute pert boobs and an absolutely stunning arse.

### The Story:

Second time I've been to see her in the past couple of months. She walked in wearing a beautiful and revealing red dress and instantly recognised me from the first time I'd seen her which was nice. She said it was good to walk in and see someone she recognised and who she knew was normal!

What followed was a great half an hour, starting with kissing, cuddling and mutual fondling before I threw her onto the bed and went down on her, which she seemed to enjoy. She returned the favour which felt incredible, before we moved into a mind-blowing mix of missionary, doggie and cowgirl.

Would absolutely recommend, and can't wait to see her again.
