The Premises:

Spangles is in quite a discreet location and is easy to find once I'd phoned ahead. Lovely receptionist was very pleasant on the phone and gave a good, and accurate, description of the girls who were working that day.

The Lady:

When I got there Elle appeared at the top of the stairs looking fantastic great smile, beautiful long legs and gorgeous tanned skin.

The Story:

I was more than a little nervous as this was my first ever time at a massage parlour - strange situation not really knowing what you are and aren't allowed to do but Elle completely put me at ease and took control starting with a great massage. I decided that I deserved a treat so asked for the works and wasn't disappointed - Elle's body looks, feels and tastes amazing! I never felt rushed at any point and the whole experience was really enjoyable.

Thanks Elle - you've convinced me that I need to treat myself more often :> X
