The Premises:

Tiny first floor flat in Warren St. cramped and cluttered Just about room for a double bed and a chest of drawers so not very comfortable. I expected better surroundings for a £150 fee, but maybe I'm getting old.

The Lady:

Website says she is 5'2". That's probably right. I did not make too many enquiries, but based on past experiences: I would say she is probably Malaysian in her mid to late twenties. Juliana has a nice manner, but a down side for me was that her breasts were enhanced. I prefer naturals.

The Story:

I read Review 116458 from Jaycee and followed the link to the website, to find that she was now based in Warren St. - better for me. We set up the appointment and I duly arrived on time. I was disappointed with the surroundings, but Juliana herself seemed nice and I decided to stay. I handed her over the cash and we repaired to the shower, where she soaped me all over, rinsed me down and sent me back to the bedroom to dry off, whilst she washed herself. Not quite as erotic an assisted shower as I had hoped. In the bedroom, however, Juliana was very attentive and ensured that I had a really good time. She started with a nice massage which led seamlessly into uncovered oral. Her technique was fabulous and that alone made me glad I had stayed. After a prolonged extremely slow and sensuous period of OWO, I returned the favour and Juliana seemed to enjoy that quite a bit. After a little while we moved into a 69 and she was getting more vocal. We finished with me massaging her clit and inside with my fingers while Juliana continued with OWO until I came in her mouth.

To sum up, then: Juliana herself is worth a visit for her attitude and the service she delivers. My only reservations on a return visit are her apartment and silicone breasts but to those of you who do not mind such things, then I would thoroughly recommend her.
