### The Premises:

Anonymous mid terrace flat close to the town centre. Easy, plentiful, free parking. Safe. Upstairs flat, was quickly buzzed in to be warmly greeted by Sam. Only one girl working, in a nicely furnished room. Clean with a decent shower, the room was nice and warm and smelled good.

### The Lady:

Carla is early forties and voluptuous. Not a skinny minnie, all woman! She was dressed in a black lacy basque, Betty Boop knickers, black opaque hold ups and 'fuck me shoes'. Long brunette hair with a couple of colours in, lovely big brown eyes. She smelt lovely and put a very nervous and inexperienced me at my ease with her friendly manner.

### The Story:

My first time in a parlour. In fact I sat outside in my car for almost two hours! Carla laughed about that, saying I should have come in for a coffee and a chat. Good advice that- hindsight is 20/20. I hesitated because of all the worries a first timer must have (It cant be just me can it?) What if the lady has been trafficked? What if she doesn't want to be there? What if there is some grotesque pimp with designs on my wallet and watch?... I needn't have worried. Carla loves her job, is pleased to be there, and above all is a wonderful lover!

I won't go into details. This is a review, not porn. Please be assured, she did everything I asked with enthusiasm. She loves sex and I had a brilliant time. She even got me a coffee afterwards and gave me a cigarette for with it! We chatted about holidays and what she does when she isn't doing this. Ran over to 45 mins.

I'll be amazed if a put can be better than this was. I'll be going back for more.

Downside? Er, I don't have enough dosh to go every week! And she doesn't like toys, she prefers cock! (Her words not mine!)

Thank you Carla. See you soon. R. (they shakey guy)

PS. Descending the stairs on wobbly legs! You know you had a good time!!
