The Premises:

The location was a basement flat about a 6 minute walk from Chancery Lane tube station. It was clean inside and there was a shower facility.

The Lady:

An slim and attractive, East European girl with A/B cup breasts.

The Story:

When I arrived at the flat, the maid explained to me that Nicky didn't speak English and that the session would consist of a shower, then a massage followed by B2B and then a happy ending. The massage was conducted on an air bad on the floor. It wasn't too bad a massage, light but very relaxing all the same. There weren't any CC swipes and the nearest she came to any erogenous zones was the top of my thighs. The please turn over arrived so B2B hadn't occurred and Nicky was still fully clothed. I was maybe semi erect when the happy ending commenced. I asked if I could see her breasts, but the language barrier prevented her from understanding me. I just about managed to put my finger inside her bra at the exact moment I climaxed.

I think other girls share the flat and I may return to see one on a different date.
