The Premises:

A lovely, well established flat in South Ken. 5 minutes from the tube and very easy to find. Two well sized bedrooms, with two showers although the en-suite in one needs a good clean or replacing. Otherwise a very clean and well decorated place where I was made to feel welcome from the minute I entered.

The Lady:

Kathleen's photo's are accurate. A tall-ish, slim, Dutch lady with straw coloured hair. An award winning smile and a well toned body. Very beautiful.

The Story:

This is a bit of a belated review, as I need to catch up with my PN admin and nothing to do with the experience which was excellent.

I'd wait for awhile for Kathleen to come down from MK, so I jumped at the opportunity to meet her. I wasn't disappointed.

Apart from her obvious physical attributes, she was welcoming and every bit as fun as I'd expected her to be. After a shower and a bit of getting to know each other, I asked Kathleen to tie me up. This she was more than happy to do and is clearly something she enjoys.

Securely tied and blindfolded, she teased me to such a point I was desperate to break free from my bonds to get at her body. At one point I managed to get one hand out but she pinned me down (K you are deceptively strong). She performed an amazing BBBJ and thereafter I had to be set-free. At this point she agreed and once free I kissed and sucked every inch of her body.

The finale was her riding me cowgirl (with protection of course), kissing me as I came hard inside her. It was such a fantastic experience that an hour just flew by.

It'll be great if she came back to London again, and I'll be keeping my eye out (may be even a threesome with Tina if it could be arranged). Overall, a lovely girl who'll put a smile back on your face even after the toughest of days.
