The Lady:

Another lying website picture. Zara was pictured on the website [allstarescorts.co.uk](http://www.allstarescorts.co.uk) as a slim beautiful caucasian woman with Latin complexion. WHAT A LIE. The Zara that arrived was size 14-16 dress about 5'5" and big all over. If you can imagine those old childrens punch bags that you hit and rolled over to come straight back up....you would not be wrong. She was mixed race of mainly African background.

The Story:

I invited Zara in to hotel and paid the fee as requested because I felt sorry for her as soon as I saw her. We chatted a while and I really did not want to do more than chat because clearly she was a troubled person. I would not ever have called and paid for her company had I known what she was really like. There are some stunners on the website but I would avoid this agency like HIV or herpes. These agencies discredit the genuine girls who love to work and who have the ability to succeed in this business. My advice to talented women is to avoid this agency and for gentleman to be warned.
