### The Premises:

Immaculate, candlelit, one bedroom apartment in a building located on a small square in SW3. Monique is meticulous with the appearance and hygiene of the shower facilities, the towels are clean and dry and the bath products are of good quality. Resident and motorcycle parking available on the square.

### The Lady:

5'2 and slim but shapely. In pin-up girl (rather than gym-toned or athletic) style. Is clean, perfumed and well-dressed and presented with smooth, creamy skin the colour of alabaster. Beautiful eyes. Age and photographs are accurate.

### The Story:

I have seen Monique several times and am never disappointed. I guess I am becoming a regular. She is intelligent, a consummate professional in every respect, reliable and very matter-of-fact. Good sense of humour. Despite her cool approach to the business side of things and the practicalities, once the session starts she is sensual, perceptive, intuitive and relatively uninhibited and it is easy to lose track of time and melt into the experience. She listens and is very good at tailoring a session to your requests. It is very rare (and a pleasant surprise) to find a girl who combines a business-like and professional approach and a scrupulously clean apartment with such a warm, natural, sensual and satisfying experience.
