The Premises:

Gigi is located in nice flat not far from Edgware Road Underground, 5 min walk max. Nicely decorated and very good for the activities described below!

The Lady:

This lady is perfectly shaped, Gigi is really good looking, and the photos are real, she is really model format. She is one of the prettiest ladies I have visited.

The Story:

I had booked one hour with Gigi, and told her I wanted a Tie and Tease session, where she should be dominating me. As soon as the paperwork was sorted out, she flashed her right tit, and commanded me to kiss it, and it should be properly!, if not I would be punished! So I did my best, not to soft, not to hard! She was satisfied and ordered me to get out of my clothes and get into the shower. She requires that you are clean!

Then I was ordered onto the bed, on my back, and she quickly tied me to the four corners of the bed, spread eagle, helpless, and as if that was not enough, she put on a blindfold, and said that I was now totally under her command, and that she now would test out some of my limits! As Gigi knew that I am very ticklish from before she really put on the steam and almost made me crazy, and she really aroused me now. As tickle instrument she used her fingers, mouth and hair, probably a feather duster or something like that. She also made me rock hard by stroking and sucking junior, and almost made me come, but then moving away, several times, the edge play was really driving me crazy....

During the blindfold session she also tested me with use of some ice cubes, both used on my face in my mouth, and as a cool down on junior between the edge play sessions. In addition to this she put some candy in my mouth, minimum two types, one sour and one sweet jelly type, it's really strange when she order you to open your mouth and you don't know what will put in there, a candy, one of her tits or something else, exciting!

Without bringing me over the edge she now decided that it was enough of the tie part, and we continued the session untied, she is a fantastic lady and gave me a wonderful orgasm.

Gigi is eager to learn, and I said that she should read some of Briony's reviews, maybe she can be even better, domina potential! I look forward to next session with Gigi, more tense than ever!
