The Premises:

Beatrice is staying in a smallish apartment in the serviced apartment building that many other ladies stay at on Sloane Avenue. It is clean and modern with a nice shower and bathroom, a double bed, chair and TV, which Beatrice had showing Minder. The room was quite hot, as the radiator was on, which she couldn't control, but this didn't make any difference to our time together.

The Lady:

I was quite taken in by her pictures on the agency website, and in reality they are very accurate. Beatrice is slim, with a very sexy figure. She looked splendid in black stockings and suspenders and a white thong.

The Story:

I walked in to her room and was struck by her demure beauty, dressed in stocking and heels, and looking a bit coy; she walked up to me and gave me a big sexy slow kiss.

After sorting everything out, Beatrice knelt down in front of me, pulled down my pants and started to give me a long deep blow job without. I wanted to return the favour, so Beatrice kneeled on the bed and I pulled down her white thong, that barely covered what she had underneath for me.

I had a lovely hour with Beatrice and she is the best girl I have seen in a long time. I would definitely recommend and want to go back. She offered all services and we had sex in many different positions and A-levels, at her request lying on the bed.

She was willing to do just about anything and asked me what else I would like. After several rounds of everything I couldn't hold back anymore.

Beatrice is sweet, intelligent - studying for a law degree apparently, funny and very sexy. Everything was perfectly organised by the agency. It was one of my best punts ever!
