The Premises:

Situated on a private residential street felt safe. Ample free parking.
As I am a wheelchair user, the entrance to the property was easily accessible.

The Lady:

Tall lady, stunning to look at, mixed race, caramel skin, looks around early 30's. Model type figure but no means skinny. The photos she had sent are genuine.

The Story:

To my surprise when I entered the property Kandy had a warm smile, perfect teeth and spoke very good English. She took me through to the lounge where she had a nice fire going, which was a nice touch. I was kindly offered a drink which I refused purely as I was driving quite some distance. I gave her an envelope of course.

Now Kandy revealed a stunning outfit, she then kissed me, her warm breast rubbing against myself. Wow! Now to start with I was a little shy, but hey she certainly knew how to take care of that. We moved onto the bedroom, very clean, uncluttered and enough room for my wheelchair. Onto the bed, lots more kissing her lips I remember til this day sensual.

Lots of body to body contact, by this time naked.

She enjoys being licked from top to toe. I spent sometime on her which she really enjoyed. Uber gorgeous. Out came the latex gloves, she performed a prostate massage, blimey didn't expect that. haha, my first too.. and guess what guys she did well. Now I don't want to ramble on. We covered pretty much everything, covered of course.. finished off with a Swedish massage.

No clock watching. I was offered an assisted shower, followed by a chat.

I was a pleased man well worth the long journey. Three words. Busty, Beautiful and Brains.

Will visit again.
