The Premises:

woodseats,sheffield opposite retail park above shop. easy parking with discreet entrance.Clean and tidy throughout.

The Lady:

katie is around 40 size 10/12,english, dark hair,very pretty with a lovely smile.Great figure and friendly personality.Elegantly dressed in evening gown[nice change from micro skirts!!] Not your typical looking working girl more like your girl next door.

The Story:

classic touch is a long established venue usually featuring more mature girls usually 2 available each day.The welcome is always friendly with offer of tea or coffee on entry.Katie greeted me with a smile,hug and peck on cheek in that order.nice chat then upstairs.Once katie peels off her dress-WOW-lovely figure and she immediately makes you relaxed with kissing and cuddling.Her technique is slow,soft and sensual and very much a true GFE throughout[not often you can say that].She is very responsive and easily and effortlessly excites your manhood while her own body responds to your touch. Overall a great experience from a girl who from start to finish tries to please her customer [obviously depending on treating her with respect] and i really felt i had been with a girlfriend not a working girl.I will be back!!!
