Looks lovely when you get inside. Quite clean, can't remember anything about showers.

Tall dark-skinned black woman. Just the right figure (not too skinny).

The Story:

When I phoned and found that the minimum price here is £40 for a hand job, I thought I would give them a go. Usually you would have a choice of 2 women but only Roxy was available when I got there. She removed all her clothing before she started on my hand job. I asked her to lie on her back with her legs apart while I looked at her pussy and wanked myself. She was quite obliging. I can't remember how long I had with her but it seemed at least 20 minutes but could have been longer. Pleasant friendly personality. I'm not actually entirely sure her name is Roxy but it's something like that.
