The Premises:

Easy to find flat on corner of street, discreet entrance and a brisk walk from earls court station.

The Lady:

Just as pictures, not as voluptuous as some of the photos perhaps slightly more slim. However she has small but very sensitive and responsive nipples. Pussy lips are shaved wisps of hair on pubic bone above clitoris as can be seen on pictures

The Story:

Apologies for taking so long in writing this I could not remember for the life of me what the site she wanted me to submit a review on.

Anyway One of my better experiences, Ayumi looked like her pictures so it was always a great start from there. Very chatty and interested in you likes to get very close, offered me a drink. She apologised for not having the lingerie I requested but wore a sexy tight dress instead. I'm a fairly young guy and good looking and I think she liked me from that point of view so plenty of Deep French Kissing and hands were allowed to wander anywhere. She is clearly a very sensual and erotic person and loves sex. Gave an incredible BBBJ that got me rock hard she then put the condom on and got on top and rode me hard.

During foreplay I seemed to touch the right buttons, she does like it slow when touching her pussy so I slowly caressed her clitoris and pussy lips while Deep French Kissing and she got really really wet and very sticky I've honestly not felt a pussy as wet as that she was also very vocal, she said I was just the right size for her which gave me confidence but she just made me cum to quick as I could not help it

I tend not to visit escorts more than once but this will not be the case with Ayumi she was terrific company and very sexually charged, as soon as I feel confident enough to match her sexual appetite and last a bit longer in bed I will make another booking she was just so wet and tight I just could not hold back.
