The Premises:

Nice house in a very pleasant location. Perfectly safe with plenty of parking. House was very clean. Could not have been better.

The Lady:

Slim, medium height with awesome nipples and, for me, perfectly-formed, unenhanced breasts. A pleasant alternative is her "lady garden in the front, shaved underneath." The pictures on her profile are not tampered with. Personality-wise, Abi was a delight; easy to talk to with a great sense of humour.

The Story:

I arrived spot on the appointed hour and was shown to the bedroom. We took care of the paperwork, whereupon Abi disappeared only to return moments later armed with a glass of water and unclothed. After a good snog, we retired to the bed and she undressed me gradually with frequent breaks for more DFK. Once undressed, Abi treated me to a gentle teasing massage and then kissing my body as she headed to my erect cock. Great OWO with some deep throat prompted me to intervene before I came. It was my turn to perform some RO that was well received. More OWO was followed by putting on the condom and a brief interlude of cowgirl followed by missionary before I came. The remaining quarter of an hour was spent chatting. A great hour.
