The Story:

I've been to this location once before, but met a different lady. Alexandra offers most services, including anal, but that's not really my thing. We started with DFK and oral. Nearly shot my load straight away, but was fortunately able to hold on. After that, tried covered sex in a couple of positions and could hold on no longer. These Asian girls provide excellent service and I'll go again as soon as I get another chance. Excellent value too.
