### The Premises:

As previously described

### The Lady:

Younger and prettier than she appears from her photos otherwise description as stated on the HoD website. Colouring of a small tuft of pubic hair suggests that she is a natural blonde of some description though perhaps not as blonde as she is now. Friendly and chatty. Large tattoo by shin bone of one leg. Chatty with excellent interpersonal skills.

### The Story:

I arrived as the previous 2 clients were leaving. The receptionist handled the situation like Heathrow air traffic control would have a busy schedule so I circled the block for a couple of minutes until I got the all clear to make my final approach.

Faye greeted me with a quick kiss. Proceedings consisted of long bouts of owo interspersed with FK while I admired and caressed her lovely body. And then onto 69 for the last few minutes concluding with CIM. Very pleasant.
