### The Premises:

Premises was fine, very clean and plenty of nearby parking.

### The Lady:

Heather is very petite with nice pert breasts and a lovely bum to match. She is 27 but looks younger. If you like small girls she has a perfect schoolgirl type body.

### The Story:

As soon as I saw Heather I thought 'just my type, good choice'. Had a quick shower and Heather returned with a drink for me. Started with a nice relaxing back massage for around 15 mins. Turned over, at which stage Heather removed her bra and pants to reveal just what a perfect little body she has. I started to feel my way around her bum and tits as she tickled my cock with her fingertips. This lasted about 5 mins, before going over to the jacuzzi that she had prepared during the massage. From this point things started to go downhill. She got me to sit at the edge in the bath and then she sat between my legs with her back towards me. That was nice for a short while, very relaxing and reaching round her front and playing with her tits. Nice as this was, it started to get a bit boring. I'd presumed we would cuddle and caress each other and be free to change positions, instead of being stuck in one position. We got out after 20 mins and dried off. Then on to the bed for the finale. We lay side by side and I asked if she kissed. She said something about yes she did, but not with such an age gap. This was a major disappointment for me. Kissing is the one thing I think that makes it more intimate. I did ask prior to booking and was told 'yes but at her discretion' I presumed that meant as long as I hadn't got bad breath or something, I'd be accepted. I did NOT expect age to come into it. She offers GFE and I can't remember any girlfriend of mine that didn't kiss. Furthermore, you are paying the girl to please you for an hour. Now I am 63, and I don't know what the cut off age is for kissing to be on offer, but I suggest if that is what you want and you're over say 35, you had better check before booking. She did give me superb OW, which I really did enjoy. At this point I should mention that I was having trouble getting more than semi hard. Heather was trying her best, but I have to admit to abstaining for a few years and this was a rare excursion for me, so I attach no blame for that to Heather. I decided my best bet was to fuck her doggy, in the hope that the visual stimulation would do the trick. I did manage to gain entry but still felt I was falling short in performance. I have to say, that the view was memorable, just wished I could really have rogered her. I didn't think I would cum in time, so asked if I could cum on her face. She said

yes, but made me lay on my back and proceeded to wank me until I was ready to cum. She then put my cock up against the far side of her face, so I couldn't even see the resulting orgasm. That wasn't my idea of a facial. I'm sure she knew I was no Peter North and just wanted to let my modest emission drop onto her sweet face. In conclusion, Heather has the perfect body as far as I am concerned, but I left feeling the time could have been so much better. She is a friendly girl, but a bit mechanically so, answering all compliments with exactly the same answer. I also felt it was more a WG experience rather than a GFE, with everything being a bit regimental. She also doesn't allow fingers inside, which may or may not be par for the course, I wouldn't know. For those reasons I wouldn't return, but if you're really into petite schoolgirl types, you won't find better.
