The Premises:

This is a new place and is as good as the last one. Not as great as the Kensington one. The rooms are a bit smaller than the earlier maida vale place. Neighbourhood is good being St Johns Wood.

The Lady:

Stunning is the only word that can be used for Chloe. I have been trying to get myself to meet her for a few weeks now. But times never matched. Finally met her and wowie! She is just as described on the website. Saw her in her blue lingerie on twitter and just had to see her in person.

The Story:

Chloe is not much of a talker but why talk when her mouth does magic. As soon as we undressed she lip locked and her tongue was deep in my mouth. She is not shy of kissing and it is rare to find a girl who enjoys a good french kiss. She moved on to give me one of the best blowjobs I have had. She started with my balls which i really appreciated and she got wet and sloppy on my shaft. I then moved to my favourite activity of returning the favour. She has a lovely pussy and it was juicy. Once I got into it she started to get the feel and give gave me some more directions as to how she liked it and lo and behold she was wet and the moans were flowing. She may be a good actress, but I enjoyed the process.

On with the cap and she started riding me cowboy. i moved on to mish and finished inside her. It was an amazing experience and I fear monday evenings may be a regular stop over at St Johns Wood!
