The Lady:

As per her profile, Mel is a scrummy in her late teens, very pretty girl, and a fabulous figure.

Definitely, no need whatsoever for photo shopping!

The Story:

Mel entered wearing very sexy black lingerie, and to start I was knocked for six on how ravishing she looked!

Dealt with the paperwork, and proceeded to enjoy some rather lovely Fk which proceeded to Mel kissing down my body to take me in her mouth.

Boy oh boy - what a mouth!

Possibly the best OWO I've had at MKE if not in MK in general!

So much so I nearly lost my load within 5 minutes of meeting the gorgeous Mel.

Proceeded to 69 which was very nice from both points of view, then went on to the main event,

Unfortunately, I had decided to go on a punting run today and Mel wasn't my First Lady of the day. As such when the rubber went on, I went down.

BUGGER!

But even as Mel is a relative newbie, she took it all in her stride, and went back to OWO to rouse the old fella, but she certainly can't be blamed for the lack of enthusiasm,

condom off,
mouth round it,
Fuck that's good! I'm hard as nails!
2nd hat on,
old chap not playing ball straight back down again!

I swear sometimes it just does it to spite me!

However, Mel didn't get narked at any point, I have heard some ladies take it personally, but not Mel, she proceeded to lead me to the edge of the bed to take me in her mouth to completion!

I must say expertly.

She is a lovely girl and I will certainly be back to see her soon, and she will be my sole exploit for the day to ensure the old chap has her undivided attention!
