The Story:

Room was ok, warm and welcoming, Rachel however was not. I don't know why I picked her, she was soulless and vapid, boring even. I was there for a treat, she was there and obviously wasn't happy in being so. She had several stories to tell and thought I was interested (which I wasn't). Her mechanical massage was irritating, she didn't kiss, refused to cuddle, stroked my cock half heartily, it was a poor show. On with the condom and the sucking began, more like gentle licking which did nothing, when I tried to ease a bit more in her mouth she backed away. We didn't even get to have sex (which I paid for bytheway!). She finished me by hand. I had the full 30 minutes but it felt like 5 hours and not in a good way. One word - CRAP.
