The Premises:

Fingertips is a well run parlour in Fenton, plenty of parking in the nearby streets. The staff are always very helpful and obliging.

Shame their website doesn't carry more details or a Twitter page with who's working and ladies details on.

The Lady:

Millie is 19 slim fairly tall with small boobs. Very, very pretty, stunning lady. Oh yeah and she's got bright pink hair.

The Story:

After trying to see Millie for the last Month or so I finally got the time to make a booking today. She started of with a sensual massage before turning over with Millie sucking and playing with my balls. Then on with the condom and some oral. Followed by Millie riding me and then doggy. Millie is a fantastic lady who I can't recommend enough, I will be returning for another visit.
