The Premises:

The location is a ground floor flat on a busy street, so feels private as you ring the doorbell. The door opens directly into the flat, which is like a five star hotel. The room is well decorated, nice furniture (including the bed) and an ensuite bathroom with fresh towels. The shower is fine, and had 'Brazilian Fusion' shower gel. When I arrived, I was offered water or orange juice, which was delivered right away.

The Lady:

Chelsea is new to House of Divine. She's Eastern European, with long blonde hair (as in the pictures) and very long, beautiful, fit legs. Firm, well rounded, natural breasts. Really nice smile (although she seemed a bit nervous at first: it was her first day at House of Divine and I think I might have been one of her first clients there). Very nice kiss (open mouth, licking). She was wearing a wonderfully revealing black dress that would have been fine for a night of clubbing in Mayfair -- short enough to show her long legs (did I say that already?) and a teasing amount of her breasts. She clearly takes care of her body, as every inch is fit. She's been in the UK for four years, and has perfect English with a wonderful accent.

The Story:

I enjoyed watching her get out of her short black dress. No bra, so her pretty, pert breasts were right there, and of course I had to nibble and suck her nipples, sitting on the bed whilst she stood in front of me. I wanted to see all of her, so I helped her out of her thong panties. What a sight to behold -- fully shaved.

I had had a busy morning, so asked for a short back massage to relax me, as unbelievably I wasn't hard yet (that was to change very quickly). I could have spent the entire time with her probing hands on my back, but I had other things in mind (I think she did, too!). So I turned over to look at her, but she took that opportunity to immediately go down on me (OWO). I could have spent the entire rest of the time with her doing that, although I doubt I would have lasted the remaining 35 minutes, as she was an expert. While going down on me, she positioned herself so that I could fondle her breasts and pussy, and she clearly enjoyed me feeling her getting wet. I told her that I needed to be inside her, and she got me prepped. I wanted to do doggy to start as I really hadn't seen her backside, which I knew would be as good as her front. I wasn't disappointed. She pushed back as I

pushed in, and again, I could have done that forever ... or at least until I lasted. But I wanted to feel her breasts whilst at the same time being inside her, and this is best when spooning, which we did. She clearly enjoyed that side-by-side-with-me-inside position as well, and was using her free hand to masturbate herself and occasionally squeeze my balls. This got more intense, and eventually I reached a climax. I'm not sure if she did, but she did have a lovely smile on her face as we kissed. After some cleaning up, as there was still another 10 minutes to go, she lay down with me with her head on my shoulder. A nice ending to a great 45 minutes.

Chelsea is special. I will see her again. She is sure to be a House of Divine favourite. Mine too.
