### The Premises:

Nice warm room with shower facilities and fresh clean towels.

### The Lady:

As per pics on HOD website, lovely figure. Soft skin, ample boobs. Nice chewable nipples which I couple suck and lick all day.

### The Story:

Got undressed and straight down to business as I only had 30 mins. She started by immediately getting down on all fours and giving me a wonderful BJ whilst standing against bed. She excels at this with powerful suction and great tongue, A true expert, my knees started going weak with her power and so I had to lie down for her to continue with some of the same. Soon enough I was getting too excited so switched positions to take her from behind, then her shoulders down and arse in the air, I love this position, taking my time to ram hard and slow and the fast and the slow, then switched to a bit I missionary, legs in air, on my shoulders, bent over on end of bed, the whilst standing, she was just great and so very accommodating. She was ferocious with the end of my cock in her mouth I just loved it. Very willing to try and please me the whole time. One position with her head upside down over edge of bed allowed me to be sucked off whilst I had full access to play with her tits and pussy, this was really hard work for her but she was amazing. She is a true pro and I finally got to release a big load after about 25 mins. It was so good my cock is still throbbing from the experience 24 hours later, one of my best and most memorable punts. I had to give her a good tip. I also saw Chelsea on the way in, even tho I can't see any reviews, her sheer natural beauty is irresistible so I will have to give this young blood a try soon.
