The Premises:

Standard serviced apartments in chelsea you must know which one I mean :)

The Lady:

Reasonable looking cannot fault her looks and has some resemblance to the photo i.e. the photo is enhanced but its still the same person

The Story:

So you would agree £180 is on the higher side for an oriental escort but in the search for quality thought I would try it.

The services is very similar to what you would get for £100 and when she said there was no owo I was fine since its a matter of personal preference but what do you say when the girl says that she does BJ with condom but does not do CIM with condom? Unbelievable ? Well this what I was told. Apparently she is worried that the condom may leak! Unbelievable!

60 mins session was also finished after 30 mins since it was only for one time!

I should have been careful since this agency does not have any reviews on here!

So its safe to say that this girl focusses on one time sales and not repeat custom.
