The Story:

I've lost count of how many times I have seen Amelia over the last year and the best thing about her she is warm on the inside as a beauty on the out!friendly and intelligent and so sexy her pics are not airbrushed as some are on some escort sites..yes she looks that good in person a perfect size 8 blue eyes blonde hair beauty!

Amelia opened the door were we kissed and offered me a drink and sit down for a quick catch up jumped out of the shower to enter the bedroom where she was waiting for me still fully dressed in a nice colorful silk blouse and short skirt

we proceeded to FK standing up with some nice tongue rolling action while this was going on I unzipped the back of her skirt to reveal a very horny cream stockings and white suspender belt on to the bed and some nice ball sucking and more FK on with the johnny and she rode me slowly cowgirl with more intense kissing and running both my hands up her gorgeous stocking clad legs to her peachy bum cheeks after some time she was about to remove her bra and I couldn't hold back any more as I pumped then a rest-chat and some more fun before being on my way

I hope she will stick around for as long as possible as she is the best Ive seen.. so nice and such a stunner
