The Premises:

Parking in a yard off Brooklyn street, discreet apart from smokers congregating at the entrance to a club (working men's or conservative or similar) opposite the entrance on Brooklyn St.

A metal fire escape leads to a back entrance.

Inside is a small hall and a waiting room with photos of the ladies.

The bedroom I was taken to was quite small and dark but clean, with en suite shower room, and had a TV showing porn and a (much needed) air conditioning unit.

The Lady:

Candice is a slim, very attractive, afro-Caribbean lady with a pretty face and very sexy figure. Very much as per the description on the web site. She was wearing a playboy bunny leotard and collar with black hold-up stockings.

The Story:

Started with a brief massage, then on to excellent oral. Then reverse oral followed by reverse cowgirl, doggy, missionary and then she wanked me off between her large and shapely breasts. A very enjoyable experience all round.
