The Story:

I booked to see Shelly after seeing her Heathrow Tour announcement and reading some of her reviews. We met in her room she was wearing a short black dress and was wearing hold ups I believe.

We sat and chatted for a short while to get to know each other. I found her easy to talk with and we got along just fine. Broke the ice by kissing and then proceeded to mutually undress one another. She was wearing a matching black underwear set.

She is a good kisser and I was soon aroused. All I will say is that I had a great time. The time flew past, there was no clock watching and I think we did overrun the time. There is much mention on the board of "the girlfriend experience" for me this was it we just seemed to click. All in all Shelly is a lovely person and provides a great service.
