### The Premises:

The place is easy to find if you look for the cafe that the agency tells you to look out for but not so easy if you are hunting for the address given as the street changes its name.

### The Lady:

Both girls are slim but relatively busty for Asians. Heather younger than Coco but both older than stated but not too much to create disappointment.

Photos for both have been photoshopped on the website but not very aggressively. As long as you know to discount a bit they should hit your expectations.

### The Story:

The session was good and lasted for a full hour. After initial shower, we went directly into action. Heather was busy above and Coco below.

Good and deep oral from Coco who prefers sucking to kissing. She also rimmed me quite nicely. Heather was the kisser and did so with enthusiasm. She has nice boobs which I kissed and licked throughout the session.

While I changed positions with the girls a bit during the session, they quickly went back to the original setup.

After a while I decided that this was probably for the better as Coco is clearly not a kisser and I would not want to trade her for Heather above.

The best part came when I fucked Heather doggy while Coco put her finger up my ass and massaged my balls. Great combination!

Then Heather in missionary with Coco doing more ass and balls work.

I finished with a great orgasm, greatly improved by an active Heather who grinded her hips against mine.

In terms of engagement, Coco was a bit on the cool Asian side of experiences: friendly and effective but business-like.

Heather on the contrary was all warm and personal, but less complete services (no rimming from her).
