The Premises:

Town centre location- not that discreet but went at night & so seemed ok

The Lady:

30 + ? Black very very busty, slightly toothy look.

looks matches descriptions & photos

The Story:

Was a bit wary based on mixed reports on forums but was on a work night out & took a flyer.

Based on perceived lack of GFE i made the most of her enormous knockers.

Asked her for a (average) lap dance.

Oiled them up & played with them for a bit.

Then doggy but had to splash all over them before long.

Not sure what extras she does, but for black and/or huge tit lovers it's worth a go- her tits are huge.

Facially a bit average to me

I don't think I'd go again, but seems a bit harsh to give a negative or neutral.
