The Premises:

Katie's incall apartment is almost worthy of a field report in its own right... Very nice discrete apartment in the centre of Chester a couple of minutes walk from the city centre car parks, some of which are free after 3pm. There's a shower available with gent's toiletries and also none scented shower gel.

The Lady:

Katie's description is accurate, as are her photos. A cliché I know, but she looked far better in real life. No face pics, but I found her to be very attractive indeed. Very natural with no tattoos or piercings, she is tall and slim but with nice curves, has lovely long legs, pert boobs and a nice bum. I'd say her stated age (26) was accurate, and I found her to have a very pleasant and amiable personality.

The Story:

Communication setting up the booking was very efficient, with no messing around and as I'd booked in advance, we confirmed on the day.

Katie met me at the door of her apartment looking absolutely gorgeous and greeted me with a friendly hello and a kiss. We had a brief chat while she got me a drink and I had a quick shower after a little kiss and cuddle on the sofa. After the shower there was a bit more kissing - she was nearly my height (6'2") in her heels - which made a change... Following Katie up the spiral staircase as she led the way to her bedroom was a sight to behold!

For this meeting I asked for a relaxing GFE, and that's exactly what I got, although I'm sure Katie would be more than capable of ramping it up a notch or two if required. There was plenty of (french) kissing, cuddling, and relaxed conversation. Services wise, everything I wished for was happily and expertly provided - owo, reverse oral, 69, covered penetration - mainly cowgirl, reverse cowgirl and doggy.

The whole booking seemed to have a natural flow to it, with nothing forced or mechanical. There was no clock watching and I was offered another shower after the time was up.

All in all an excellent booking which left me with a smile and a spring in my step having met

someone who is attractive, intelligent, articulate, and who genuinely seems to enjoy what she does - I'd happily see Katie again.
