The Premises:

Located fairly close to St. John's Wood underground station, within easy walking distance. Easy to find.

The Lady:

Another lovely British girl with blonde hair. Very pretty and desirable: similar to photos, but face detail not shown on website.

Lovely size with quite big boobs.

The Story:

Chloe came into the room with the water I had requested.

We started with a kiss. After giving her the "companionship" fee, I undressed with Chloe watching me (very nice!)

and she seemed very keen to start the fun. Some more kissing, then she took off her bra revealing lovely boobs.

Soon her knickers came off. I licked and played with her boobs, then she gave me oral without.

Then I asked to lick her pussy. She immediately agreed to this, and I enjoyed a long session of pleasuring her.

On her back on the bed, sometimes raising her legs in the air, allowing me great access to her pleasure zone.

Quiet moans of pleasure - she never told me to stop. Time was nearly up - just time for her to give me some more

oral, then she got on top of me for sex, and the pleasure soon made me cum.

By the time I left the room, I think it was slightly over 30 minutes - certainly no rush with lovely Chloe!

She is quite a quiet girl: some very friendly talking before and after, but mostly just body-to-body pleasure

- just the way I like it.

As usual with my girls the pleasure really lasted long after the actual session ended.

Thank you Chloe: I hope to see you again soon.xx
