The Lady:

Kim is drop dead gorgeous - the photos on the website are an accurate reflection of her stunning and very trim but shapely body and beautiful full boobs. She is also has a very pretty face, a lovely smile and a great personality - very friendly and natural.

The Story:

I think that Annabellas reputation for having lovely ladies is well known, but Kim is something exceptional. The best girl I have ever had the pleasure of being with in over 10 years of punting. I had seen her about a month ago and my second experience of her was just as good if not better. Lots of great kissing and mutual undressing followed by amazing OWO and the chance to return the complement of licking out her sweet pussy, then great sex, finishing off with a great doggy fuck. She came very vocally and satisfyingly twice before I exploded - a really brilliant GFE punt. Treat her kindly and you will be well rewarded - half an hour of heaven and I will definitely be back for more.
