The Premises:

Typical budget hotel on Bath Road near Heathrow Airport, with simple access to lifts through reception. Car parking available but not free of charge. Hotel used may vary I guess. Room itself was quite small but ensuite with all the expected amenities of a hotel and a large double bed.

The Lady:

Stunning young lady with mixed race skin and a very sexy educated accent, really classy! Perfect hourglass figure, quite tall, attractive face with a lovely smile, and lots of tattoos and a few piercings. Photos on AW are accurate, and although face is hidden, you will not be disappointed!

The Story:

Robyn only works part time, typically a few weeks a year, so may not be around beyond June. The fact that she does not work full time adds special appeal as not only does she show a clear sense of enjoying herself, there is a special slightly amateur allure to her which makes the experience more "real" - a really enjoyable soft and sensitive GFE from start to finish. She is gently assertive about what she does and doesn't do, so best to read her profile, and not expect anything else! Finally at £100 for an hour incall (normally £110), she is fantastic value.
