The Premises:

Mews house in Bayswater, near Hyde Park. It is very posh and well appointed. Large bedroom with en-suite, clean and very comfortable. Perfect place for a high class punt.

The Lady:

Ann told me she was from Moldova, but had spent a few years in Spain. She certainly looked like it. Tanned, blonde hair, and a lovely curvy body, just like the pics. I found her to be very sexy and friendly, her English is enough to have a nice chat.

The Story:

I stuck with my usual agency. This time I spoke with James first and he recommended a few ladies, Ann being one of them, who he said he had just interviewed and added to the site.

I thought about it for a few days and then rang back and chatted with Rachel, we both agreed that Ann looked very sexy in her shorts and crop top, and I gave her a time and I agreed to book if she could wear those shorts.

A few hours later I got a text back confirming everything.

The next day I made my way over to Bayswater, to the, frankly, stunning place she lives in. Ann met me at the door wearing exactly what was requested, tiny crop top barely covering her bare breasts and tight shorts, almost with camel toe.

Upstairs to the bedroom, quick freshen up in the shower and down to business. First I had to peel off her tight shorts. This led to me giving her oral and she lay on the bed and orgasmed with her legs clamped very tightly around my head.

To say Ann was horny would be a bit of an understatement. She then gave me OWO and she made me stand in front of her wardrobe mirror, Ann kneeling in front of me.

I told her how sexy I thought she looked in her little outfit, which by now was lying on the floor, and

she told me she would like to wear something else for me. She stepped into a pair of bright red and sparkly platform heels, which made her tower over me. She put a condom on me and kneeled down on the bed. Bum up, head down.

I was finding it very hard to contain myself.

Somehow I did and we had a very energetic and horny time on the bed and around the bedroom, until I couldn't hold out any longer.

I had another shower, while Ann brought me a drink, a quick chat and it was time for me to leave.

We did all the services on her list and she was genuinely very good. She did tell me she likes the duos, although she didn't tell me her friend's name, so will have to investigate.
