The Premises:

It was an incall at a hotel very convenient to Derby city centre. There was lots of parking and it was easy to get past reception. It was in a quiet and discrete area. The hotel room was simple but very suitable for the visit with good shower facilities and refreshments,

The Lady:

Young, incredibly long legs... her height is best feature! She's a stunner with fiery red hair and curves in all the right places.

The Story:

She is a very friendly , stunning and highly intelligent young lady in her early twenties. I could hold a conversation with her for hours!

She opens the door looking the perfect companion, impeccably dressed! She is open minded and quickly makes you feel relaxed and at ease. We were soon completely relaxed and even more so after she gave me the most amazing massage. She enjoys being licked from head to toe. I spent sometime on her which she really enjoyed and she soon returned the favour. She offers everything on her likes list, her profile and photos are totally accurate, she truly confident & enjoys what she does. GFE delivered with great enthusiasm.

She really went all out to see that I left completely satisfied. I can't wait to see her again!!
